

Where climate goals translate into solutions, innovations, investments, and partnerships

Boston Convention and Exhibition Centre, October, 10-11, 2018

## Opportunities for US Climate Alliance and Member States

Join Horizon18 October 10-11 in Boston, and be part of the global network of customers, businesses, financiers, media, and government leaders building close links and partnerships at the forefront of the clean economy.

### Nominate Speaking Topics

- Horizon18 is recruiting for speakers to share leading clean economy projects, practices and case studies, including major workstreams from Climate Alliance initiatives.

### Propose Pitch Arena

- Horizon18 provides a unique platform to present your clean economy solutions to a global audience of customers, investors, industry experts, and media
- The Pitch Arena invites innovators, startups, government and city representatives, think tanks, financiers to present their innovative ideas
- For more information on participation opportunities contact [lelde@wclimate.com](mailto:lelde@wclimate.com)

### Bring Your State Teams

- Bring state teams engaged in clean economy planning and projects to explore with potential partners – limited number of free delegate tickets
- Include your cities and regional agencies with major sustainability and clean economy initiatives
- Include your region's businesses as customers for major project opportunities
- Include relevant entrepreneurial startups, investors / finance, universities

### Become a Delegate

- Join Horizon18's global network of customers, businesses, financiers, media, and government representatives to build close links with leaders at the forefront of the clean economy.
